

Hauling log to skidway

A horse pulls a log down a slope in a forest. The horse's harness is attached to the log with rope and chain. A leafy branch lies on the horse's back. A logger stands behind the horse next to the log with his hand on the horse's rump. Another view can be seen in the New York State Archives, New York (State). Education Dept., Division of Visual Instruction, Instructional lantern slides (Pre-1911), A3045, box 2, no. 1858. Environmental History Collection, NYSA_A3045-78_1858_ref.
