

New York City. Old VanderHeuvel House. West 79th St.

Exterior view of old VanderHeuvel House, located on West 79th Street in New York City. The three-story, wood-framed building is overgrown with ivy, and the front yard appears to be untended. A large tree in front somewhat obscures the view of the house. To the left of the house is a garage, and a several-storied building appears on the right.
