

## View North from Pinnacle up Shanty Brook Basin in New York

View north across Shanty Brook basin in New York's Adirondack Mountains. The mountain peaks across the valley are, from left to right, Basin Mountain, Saddleback Mountain, Gothics and Sawteeth (also known as Resagonia Mountain). The basin and surrounding hills are covered in forests. A note on the lantern slide indicates that the image was obtained from a New York State Conservation Commission negative dated September 1920.
