

Total Troops Furnished by each State and Territory During the War, April 7, 1917 to November 11, 1918. Including Regular Army, National Guard, Navy, Marine Corps, Coast Guard and U. S. Guards

As seen in this graph, the United States mobilized thousands of people to make up the American Expeditionary Force (A.E.F.) of World War I. As the graph shows, about ten percent – one out of every ten people – of those who served in the U.S. forces came from the state of New York.
