

Record of ownership of a lot circa 1774

Document recording the history of ownership of land in Albany County distinguished on a map of the Patent by Lot No. 2. The record begins November, 1759. This may be related to a land dispute between Robert Leake and John Griffiths mentioned in other documents. The aim of this document is likely providing legal documentation of ownership of the land to "Rob. and John" and there is reference to land that "the said John Griffiths has made use of."
