

## Crooked Lake Canal Survey, Milo showing two views of Canal and Henderson

This is an ink, wash and charcoal map of a section of the Crooked Lake Canal in Milo. The map is split into two views. The first view shows a wide basin and an outlet stream. The second view shows, three bridges, twelve buildings, an unidentified road and an outlet stream branching off into mill runs. The red lines indicate courses and distances. The blue lines indicate canal right-of-way. The map also shows the property of Henderson.
