

## Cayuga and Seneca Canal Survey, Seneca Falls showing Guard Lock, High Bank and Seneca River

This is an ink, wash and charcoal map of a section of the Seneca Canal in Seneca Falls. It shows a long stretch of the Seneca River, a small island, a guard lock, a high banked area, a building and the spot where the canal empties back into the river. The red lines indicate courses and distances. The blue lines indicate canal right-of-way.
