

## Chenango Canal Survey, Norwich showing Breed and Gilmore

This is an ink, wash and charcoal map of a section of the Chenango Canal in Norwich. It shows two small streams, one of which is connected to a large basin, a bridge, a building and an unidentified road that runs along the bottom and then away from the canal. The red lines indicate courses and distances. The blue lines indicate canal right-of-way. The map also shows the properties of John Randall, Elias Breed and Widow Gilmore.
