

Book of removed houses and moneys contributed for strengthening the fortifications of New Orange

The image displays a collection of 78 pages from an antique ledger, organized into a grid of 6 rows and 13 columns. Each page is filled with handwritten text in a cursive script, characteristic of the 17th or 18th century. The paper is aged and yellowed, with some visible staining and wear. The entries appear to be organized into columns, possibly representing different categories of contributions or accounts. The overall appearance is that of a historical record book, specifically a ledger for tracking financial contributions.
