

Saratoga Battlefield

This is a distant view for the Neilson farmhouse complex, located at the historic Saratoga Battlefield. During the battles, several American Generals were housed here. The original one-room house was expanded later to make the complex seen here. This photograph was taken at the 151st anniversary of the first battle at Saratoga, usually referred to as the Battle at Freeman's Farm. This battle, and the following battle three weeks later, is thought to be the turning point of the war. This image was created to record the historic site activities of the New York State Conservation Department.
