

Hydrotherapy Room at the Washington Baths

View of the hydrotherapy room at the Washington Bathhouse (now the National Museum of Dance and Hall of Fame) on the New York State Reservation (now Saratoga Spa State Park) near Saratoga Springs, Saratoga County, around the time of its opening. Hydrotherapy is the external use of water in the treatment of certain ailments. The room contains a marble table and devices for dispensing water. This image was created to record the Saratoga-related activities of the New York State Conservation Commission.
