

## Unfinished truck trail at CCC project, Schuyler County

This heavy gravel road is the mid point of a truck trail being constructed by the Civilian Conservation Corps. This trail is likely being constructed to improve access to a reforestation area and to assist with firefighting efforts. This trail, #202-1, is the work of CCC camp S-123, stationed in Beaver Dams, N.Y. This image was created to record the reforestation work of the Civilian Conservation Corps under the supervision of the New York State Conservation Department.
