

## View of a hilltop

View of a bare, grassless hilltop. The soil appears to be sandy. The only apparent foliage are two nearly leafless trees and a handful of bushes. In the foreground is a post-and-wire fence. See also NYSA\_14297-87\_4591. This image was created to record forestry and parks activities of the New York State Forest, Fish and Game Commission, Conservation Commission, or Conservation Department.
