Remarks: *I find that some telling that were to have been inserted, had not been and this would, I appreciate, be very antagonistic to the clergy. This was not our intention. The central figure in this story, Rev. Joseph P. Jenkins, the man of many aliases and in the development of this plot is only masquerading as a minister, not an orthodox minister. And, as stated, was not intended to be portrayed as such. I therefore apologize for presenting the picture with this not made fully clear. I will endeavor in its re-examination to make this point.*
