

Map of the New York Wilderness

Hand drawn survey map of the New York Wilderness. This highly detailed map shows much of Northern New York from counties as far South as Herkimer, Oneida, Fulton, and Saratoga to the Northernmost counties of Clinton and St Lawrence. The map shows various bodies of water, mountains, and cities around Northern New York. Parts of the map are also colored in. There is also an inset map of the North Eastern United States and part of Canada in the upper left corner of the map. The map is marked, "Private copy from private papers of Verplanck Colvin." Original map is 28.6" x 32.5" inches and is held by the Dept. of Environmental Conservation.
