

## Fire service Nehasane Park fire car

View of a train on the New York Central and Hudson River Railroad at Nehasane by Lake Lila in Long Lake, Hamilton County in the Adirondack Mountains. "Nehasane Park Fire Service" is written on two of the cars, and eight men are visible in and around the train. The train track may be the present-day Adirondack Scenic Railroad. This image was likely created to record the fire control activities of the New York State Forest, Fish and Game Commission.
