

Game Protector Woodruff's Body Found Here

View of the site where the body of New York State Game Protector Woodruff (first name unknown) was found. A man is standing at the edge of a depression, and appears to be measuring the depth of the depression with a stick. The location and date are unknown, but it is probably ca. 1918-1920. This image was created to record the game protection activities of the New York State Conservation Commission.
