

Chenango Canal Survey, Chenango showing two views of the Canal and Lock No. 109

This is an ink, wash and charcoal map of a section of the Chenango Canal in Chenango. The map is split into two views. The first view shows Page Brook with old and new channels that connect to an arm of the Chenango River and Lock No. 109. The second view shows a bend in the canal, a bridge and an unidentified road that runs along the top of the canal. The red lines indicate courses and distances. The blue lines indicate canal right-of-way. The map also shows the properties of John Rutherford and Robert W. Rutherford.
