

Chenango Canal Survey, Chenango showing Eldredge, Chenango River and Osborn Brook

This is an ink, wash and charcoal map of a section of the Chenango Canal in Chenango. It shows Port Crane, Osborn Brook which runs under a canal aqueduct and into the Chenango River, an angled basin, four bridges, ten buildings and three unidentified roads. The red lines indicate courses and distances. The blue lines indicate canal right-of-way. The map also shows the properties of Christopher Eldredge and G.D. Wheeler.
