**Bureau of Military Statistics,**

*Albany* 1866.

Dear Sir, We are directed by law to make a full report to the Legislature of all expenditures of money by virtue of War Warrants.

There you will find such questions, put in as simple form as possible. All we desire of you, in answer, is to write the answer in the blank space after each question. By so doing you will enable us to compile our returns, and place us in a condition of making such report to the Legislature as we may deem proper, and we will be enabled to place the same in the hands of the General Government. Please attend at once to filling up the statement and returning it to the Bureau.

With much respect,

To *John C. Lawrence* Chief of Bureau.

*Albany, 4th March 1866.*
