Oneonta; two plantations of white and Scotch pine in Oneonta's municipal watershed forest which now contains more than 400,000 trees

A car drives by plantations of White Pine (Pinus strobus) and Scotch Pine (Pinus sylvestris) at the Oneonta municipal watershed. By the time the image was created there were over 400,000 trees growing there. This image was created to record the reforestation efforts of the New York State Conservation Department.
