

Hand-drawn map of the Missouri River area, showing the river flowing horizontally across the center. A red line, likely a survey line, crosses the river diagonally from the bottom left to the top right. The line is labeled "2221" near the bottom left and "2222" near the top right. The river is labeled "Missouri River, West of Edward." Below the river, there are several small rectangular areas labeled "St. Louis", "St. Charles", and "St. Joseph". To the right of these areas, there is a red line labeled "St. Louis" and "St. Charles". The map is on aged, yellowed paper with some handwritten notes and a signature in the top right corner.
