Saratoga Battlefield

Numerous picnic tables are set up end-to-end in preparation for the 151st anniversary of the first battle at Saratoga, usually referred to as the Battle at Freeman's Farm. The backdrop is Neilson's Farm, where several American generals were housed during the battle. This battle, and the following battle three weeks later, is thought to be the turning point of the war. This image was created to record the historic site activities of the New York State Conservation Department.
