

Old cellar found in orchard in Saratoga Battlefield

This old, partially collapsed cellar was found in an orchard located at historic Saratoga Battlefield. This photograph was taken at the 151st anniversary of the first battle at Saratoga, usually referred to as the Battle at Freeman's Farm. This battle, and the following battle three weeks later, is thought to be the turning point of the war. This image was created to record the historic site activities of the New York State Conservation Department.
