Re: Municipal Electric Utilities - Annual Report  
for the fiscal year ending February 29, 2008

Dear Secretary Bittling:

The Incorporated Village of Freeport ("Village") and the Freeport Electric Department ("Electric Department") respectfully request a 90-day extension for the filing of the Municipal Electric Utilities Annual Report for the fiscal year ending February 29, 2008.

The Village and the Electric Department are still in the process of closing its books for the fiscal year ended February 29, 2008. Our independent auditors are currently reviewing transactions and we anticipate being able to close within the next several weeks. Without the requested 90-day extension, we would be filing the Annual Report with preliminary financial data. This data could be subject to significant changes prior to our official closing. Please re-consider our initial request for an extension until August 30, 2008 for filing the annual report. We will make every attempt to file the annual report as quickly as possible.

We apologize for any inconvenience our late filing may have caused. Please let us know should you require any additional information.

Respectfully submitted,  
  
Anthony Fazio  
Acting Superintendent of Electric Utilities
