Re: Municipal Electric Utilities - Annual Report  
for the fiscal year ending February 28, 2006

Dear Secretary Brilling:

The Incorporated Village of Freeport ("Village") and the Freeport Electric Department ("Electric Department"), respectfully request a 90-day extension for the filing of our Municipal Electric Utilities Annual Report for the fiscal year ending February 28, 2006.

The Village and the Electric Department are still in the process of closing its books for the fiscal year ended February 28, 2006. Our independent accountants are still reviewing questions and we anticipate being able to close within the next week to ten days. As such, we request an extension for filing the subject annual report until August 30, 2006. We will make every attempt to file the annual report as quickly as possible.

We apologize for any inconvenience our late filing may have caused. Please let us know should you require any additional information.

Respectfully submitted,

  
Robert M. Brown  
Superintendent of Electric Utilities
