

Fallen leaves in a clearing at the edge of a forest

View of a clearing on the edge of a forest in autumn, perhaps in Clinton County. In the background is a forest of deciduous trees, some of an exceptionally spindly appearance. In the foreground is a clearing blanketed with fallen leaves. See also NYSA_14297-87_4946 and NYSA_14297-87_4947. This image was created to record forestry and parks activities of the New York State Forest, Fish and Game Commission, Conservation Commission, or Conservation Department.
