

## "Ab Harper" camp in Dutchess County, N.Y.

View of a cabin in a clearing at the edge of the woods. The clearing is in the foreground and in the background is a hill covered with coniferous and leafless deciduous trees. In the middle ground, a man in jodhpurs (Ab Harper, perhaps?) stands on the cabin's porch. To the right of him is a very neat and orderly stack of firewood. This image was created to record forestry and parks activities of the New York State Forest, Fish and Game Commission, Conservation Commission, or Conservation Department.
