Dear Mr. Effron:

Reference is made to your Notice of Appeal which was filed on March 25, 1993.

We have provided you with the packet prepared by the Court of Appeals including Forms C and D which must be received by the Clerk of the Court of Appeals for filing within ten days after filing the Notice of Appeal. Your attention is called to the instructions in the packet as well as the notice on the reverse side of Form C.

This office will assemble the original papers that have been filed, together with any exhibits which must be produced by the attorneys. The attorneys of record may elect in the Clerk's Office for the purpose of examining the papers to be included in the record on appeal and the attorney taking the appeal is to prepare an index in triplicate of the papers constituting the record on appeal.

Pursuant to rule of the United States Court of Appeals for the Second Circuit, a Standard Code must be used for any motions brought before that court. The form is T-1009 and is also included in the packet given to you.

Very truly yours,

Diane Hadloff
