

St. Regis Mountain circular map in use on fire observation table in tower on St. Regis Mountain

Panoramic map of the Adirondack Mountains surrounding the Saint Regis Mountain fire observation tower in Santa Clara, Franklin County. Panoramic maps are depictions of cities or landscape seen from an oblique elevated angle. The map provides a 360° view of the landscape surrounding the tower out to a distance of twenty miles. This image was created to record the forest fire service activities of the New York State Conservation Commission.
