

Public campsite on Township 27, near company camp, No. 4, showing lean-to

View of two men sitting near their lean-to by the fireplace on a public campsite. The lean-to is very bare and it appears the men are making some food over the fireplace. They are dressed warming with hats and sweaters, revealing a chill in the air, possibly fall. It is possible that Township 27 is now Galen, Wayne County. A Fish and Wildlife Management Area is there now that allows camping. This image was created to record the camping and tourism activities of the New York State Conservation Commission.
